

# Association of Muscular Dystrophics in the Czech Republic

Dear friends,

it is our great pleasure to invite you on my own behalf and on behalf of our organization, Association of Muscular Dystrophics in the Czech Republic, to the 41st Annual General Meeting of EAMDA. The meeting will take place in Prague, 8-11th September.

It is the first EAMDA meeting in the Czech Republic and when two years ago President Mr. Boris Šuštaršič proposed us to organize this meeting we were very honored but at the same time a little afraid. It was a great pleasure but also an enormous responsibility. We have tried to do everything possible that the meeting is successful and beneficial to you.

At this event will be present experts from the Czech Republic and abroad and representatives of organizations dealing with the issue of people affected by the neuromuscular disorders. We have chosen as the main theme of the conference Multidisciplinary care for disabled persons with neuromuscular disorders.

We hope you will enjoy your staying in Prague, a city well known for its rich history and culture.
